Auburn University

 This is not an official transcript. Courses which are in progress may also be included on this transcript.

1. Transfer Credit - If you have transfer credit posted from another college you may see the following codes:
- **PEND**

– This is a course that has not yet been evaluated to determine the AU equivalent. Once an equivalent course has been determined, the AU course will show on the transcript in place of the PEND.

•

**NOCR**

– This is a course for which Auburn University does not give transfer credit.

•

**GEEL**

– This is a course for which there is not an exact AU equivalent, but for which AU gives “general elective” credit. It may or may not satisfy particular program requirements.

•

**EVAL HOLD**

– Credit may be awarded for this course in special circumstances. It needs to be individually evaluated.
2. Courses Repeated at AU - These are undergraduate courses that have been taken more than one time at AU. All courses repeated at AU will have one of the following notations (see exception below for graduate students taking undergraduate courses):
- **A**

– The course is not counted in earned hours, but is included in the AU gpa.

•

**E**

– The course is not included in either earned hours or the AU gpa. \*

•

**I**

– The course is included in both earned hours and the AU gpa.
- \* The "E" code may be used for graduate students taking undergraduate courses (even though these courses are not repeated).
